CENSUS OF THE COMMONWEALTH, 30TH JUNE, 1954.

NO.4 - QUEENSLAND - POPULATION OF CITIES AND TOWNS, AND OF NON-MUNICIPAL TOWNS (1,000 OR MORE)

This Bulletin contains particulars of the population recorded in each City and Town, and also in each Non-municipal Town with a population of 1,000 persons or more, in Queensland at the Census of 30th June, 1954.

These figures are issued at a comparatively early stage in an interim form, as they are derived from the initial Field Count and may in some cases be subject to considerable amendment on completion of tabulation.

The Cities and Towns have been arranged in geographical groups by Statistical Zones, then in alphabetical order. The component parts of the City of Brisbane are shown in geographical groups.

Non-municipal Towns, as the name implies, are towns which are not separately incorporated for purposes of local government. They have been indicated herein by adding the letters "N.M." after the name of the town.

Boundaries of these towns were specially determined for Census purposes to embrace the urban areas which could be regarded as the town. Corporate Cities and Towns have been indicated by the letter "M".
